

CELEBRATING OUR VOLUNTEERS

We couldn't serve families without you!

Volunteers are the heartbeat of Ronald McDonald House Charities of Denver, helping to reduce costs and allowing us to allocate more funding directly to our programs. Our generous volunteers provide meals, greet guests, offer pet and music therapy, enhance the beauty of our Houses and so much more! Our comprehensive volunteer program offers both individual and group opportunities ensuring that everyone can contribute in meaningful ways.

Volunteer Highlight: Cheryl has given over 1,000 hours across four decades, from painting the original Denver House porch to supporting our annual Storybook Ball. She's loved all the meaningful moments spent supporting families. Scan the QR code to check out her story.

"In 2024 we celebrated 45 years of caring for families with sick children. Looking back, I'm inspired by how much you've helped us grow both in capacity and in our programming. Your generous support helped us serve more families and in a better way. We hope you enjoy seeing the impact that you made and we look forward to another year of working together."

- Laura Cordes, CEO
Ronald McDonald House of Denver

“We're so grateful for support from Ronald McDonald House of Denver. They gave us a home away from home!”

When the Konrath family learned that their newborn son, Mikey, had serious heart issues, they knew a long hospital journey lay ahead. At just two weeks old, Mikey underwent his first surgery—but complications led to critical life support and the urgent need for a heart transplant.

In the midst of their fear and uncertainty, the Konraths found strength and support through Ronald McDonald House of Denver. The House became a place of comfort, allowing them to stay close to Mikey during every step of his medical journey.

Today, Mikey has received his new heart—and he's growing, thriving and loving life.

OUR IMPACT IN 2024

OUR PROGRAMS

Ronald McDonald Houses - Denver and Aurora

We believe that no family should have to deal with their child's medical crisis alone. With your help, we're ensuring that families have a place to rest and a warm meal so they can find relief during a time of uncertainty. Each night, 118 families who have traveled far from their own homes seeking medical care for their critically ill children can stay at our Denver or Aurora House, at no cost to them. Our services ease their stress and help remove barriers to medical care, allowing families to focus on the health and well-being of their child. Together, we are making a big difference by providing significant comforts.

Meal Program

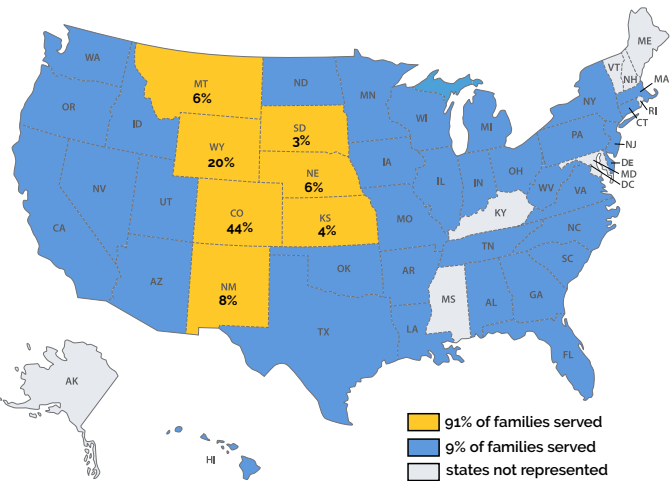

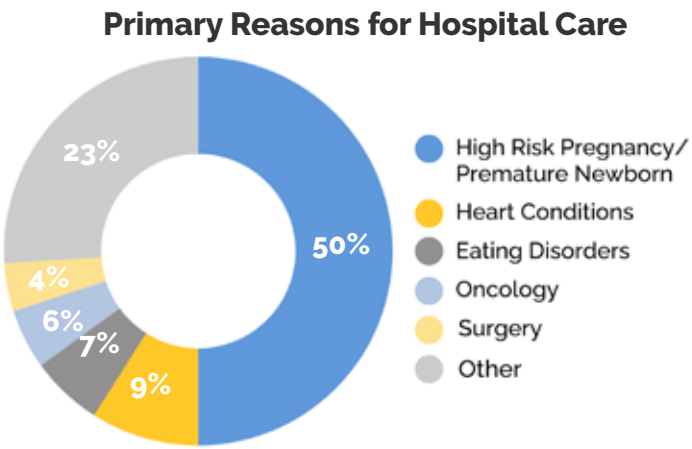

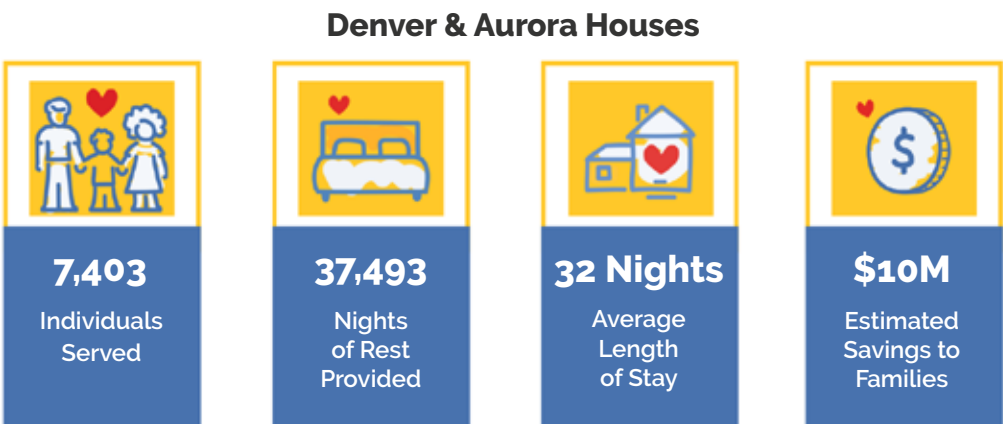

Daily nutritious meals are a vital part of supporting families during their stay, easing the stress of planning, shopping and cooking. Every meal that our culinary team and volunteers provide gives parents more precious time to focus on what truly matters—being together with their seriously ill or injured child. In 2024, we made the commitment to provide dinner for our families seven nights a week. Whether with the help of a volunteer team or by cooking on their own, our team of chefs and culinary managers ensure that our families are nourished both body and soul.

Ronald McDonald Family Room

Located within HCA HealthONE Rocky Mountain Children's at PSL, our Ronald McDonald Family Room provides a space for families to rest and recharge, just steps from the patient's bedside. The Family Room is a quiet place, away from medical treatment, where families can grab a bite to eat, take a shower, do their laundry or simply rest during a long day.

KEEPING FAMILIES CLOSE: THE IMPACT

From Their Homes to Ours

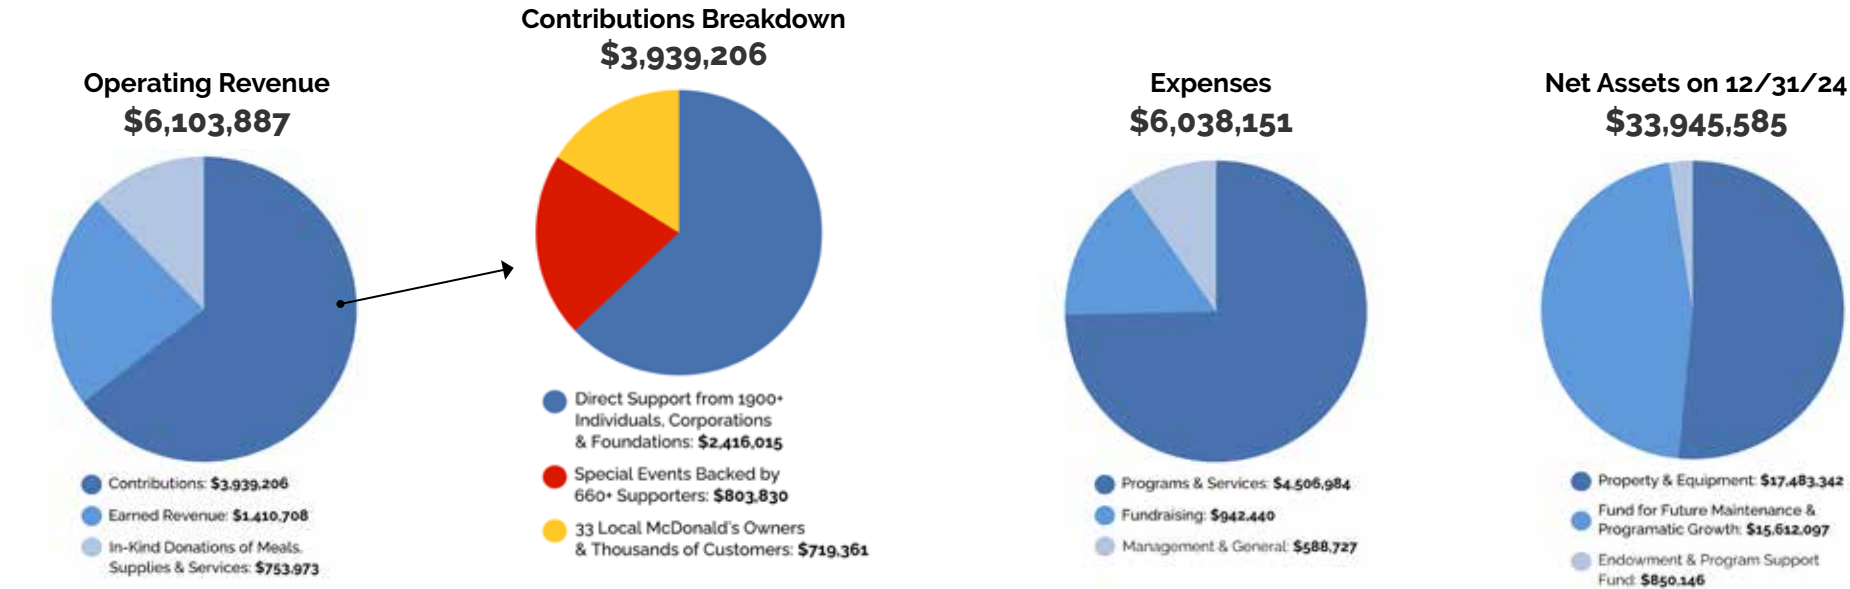

We served families from 42 states with 91% coming from Colorado, Wyoming, New Mexico, Montana, Nebraska, Kansas & South Dakota.

Top Colorado Counties served are El Paso, Mesa, Pueblo, Larimer, Weld & Garfield.

Countries Served: Algeria, Canada, Costa Rica, Georgia, Greece, Guatemala, Italy, Mexico, Nepal, Nigeria, Romania, Trinidad & Tobago, United Kingdom & Venezuela.
