

Meal Volunteer Kitchen Orientation

A photograph of a modern kitchen. On the left, there are white open shelves filled with white dishes and glassware, mounted above a countertop with blue cabinets. The countertop features a stainless steel sink with a modern faucet, a coffee maker, and a dishwasher. In the center, a large island with a grey countertop and white base is visible. The background shows a green wall, a wooden door, and a stainless steel range hood. To the right, a wooden slat partition separates the kitchen from a dining area with a dark wood table and chairs. The floor is made of light-colored wood.
